Aged Care Facility – High Care Extra Services

I chose 'extra services' for my mother so she can enjoy the extra treats and quality amenities you associate with a five star hotel. It's a small way of thanking her for all she has given me.

Superior Accommodation

Our Extra Services lounge, dining and living areas are warm, welcoming and elegantly furnished. Courtyards and landscaped gardens enable residents to enjoy fresh air and pleasant views.

Extra Services rooms are private and spacious, overlooking a garden or courtyard. They include an en suite, reverse cycle air conditioning, television, pay TV, individually adjustable electric heating, electric high/low bed, bedside chair, lockable bedside table, over-bed table and wardrobe with ample space. The furnishings, fixtures and fittings are all of a superior quality.

Picture rails are provided to enable the display of family photos and favourite paintings or prints.

Superb Catering

Fine dining is enjoyed in our elegant dining room overlooking parklands. A full catering, wine and beverage service commensurate with the standard offered at major hotels is provided by our qualified and experienced chefs. Residents are offered tantalising menu options based on their preferences and special dietary requirements.

We offer three meals a day plus morning and afternoon tea. Extra fruit, tea, coffee and light snacks are also available to residents and their guests.

Personal Lifestyle Choices

Corpus Christi Aged Care is an industry leader in offering a stimulating and dynamic program of lifestyle activities which varies in accordance with the needs and interests of residents. Our qualified and experienced Lifestyle Coordinators develop an individual lifestyle program with each resident to maximise their enjoyment of life. The range of activities currently includes: fencing, environment group, crafts, games, music, outings, fitness, and celebration of special events.

Laundry Services

Our in house laundry personnel provide a personal laundry service five days a week (Monday to Friday). A dry cleaning service is available as required.

Please also refer to our Corpus Christi Aged Care Facility Brochure which provides information about the high quality care services provided by our dedicated professional staff. We would welcome the opportunity to meet with you to discuss your needs, answer your questions and show you around our community at Corpus Christi Aged Care Facility.
