Corpus Christi
Aged Care Facility

I enjoy the wonderful community spirit and great care at Corpus Christi Age Care Facility. The services are designed around each individual and the teamwork of staff is terrific.

Individual Approach

Your individuality, independence and dignity are important to us. We tailor our services to meet your physical, social, spiritual and cultural needs and preferences. We offer choices, listen to you and ask for your feedback on a regular basis.

High Quality Living Environment

A relaxing and stylish living environment overlooking landscaped areas and courtyards provides comfort and security. All Low Care rooms have en-suites and High Care provides a range of quality rooms including both single and shared accommodation. Communal amenities include a chapel, spa, library, kiosk, hairdressing salon and a selection of spaces for social gatherings and quiet reflection. Extra service options are available for high care residents.

Dedicated Professional Staff

You will receive high quality care and support from our dedicated team of professional staff, including 24-hour coverage by qualified nurses. We work closely with your GP and provide access to other health services such as podiatrists, dieticians, physiotherapists and music therapists. We provide low and high levels of care so that you have the confidence of continuity of care as your needs change.

Our qualified chef places a high priority on the enjoyment of meals. Regular consultations and feedback ensure that any special dietary, cultural and religious preferences are included in nutritious and appetising menu options for your selection. A private dining room is available for you to celebrate special occasions with family and friends.

Enjoyment of Life

Your enjoyment of life is important to us. We provide a unique and stimulating program of activities coordinated by trained staff based on the interests of residents, including: fencing, environment group, crafts, games, music, outings, fitness, and celebration of special events.

Spiritual and Pastoral Care

We know the spiritual dimension of life is very important for some of our residents. We provide regular services in the chapel, as well as pastoral care.

We would welcome the opportunity to meet with you to discuss your needs, answer your questions and show you around our community at Corpus Christi Aged Care Facility.
